

**PUBLIC MEETING
MONDAY, JUNE 23, 2016 – 5:00 P.M.
LOEWNAU PARK PARKING LOT
(THE BOARD WILL THEN TRAVEL AND REVIEW CITY STREETS
THROUGHOUT THE CITY)
CITY OF OAKLAND-BOARD OF ALDERMEN MEETING
MINUTES**

I. Roll Call: Alderman Stewart, Alderman Godsy, Alderman Hensley, Alderman Steuby, City Administrator LeMoine

II. REVIEW CONDITION OF CITY STREETS AND AUTHORIZE THE BIDDING OF ANY WORK DEEMED NECESSARY

The Board determined that there was no nova seal or engineering work necessary this year and asked the City Administrator to confirm with the City Attorney that our existing contract with Ford allows us to reach out to them directly to arrange this summer's repair work. The Board agreed to have Ford give pricing to do the work that was on the original Schedule 2 estimate plus the following:

Add to Schedule 2:

Seal Hawthorne

Seal Baltimore

Frisco at Berry hill skin patch as needed

Trellis cul de sac skin patch as needed

West Friscoe at Lennore to the east (going down the hill) skin patch as needed.

Also on Schedule 2 clarify that the Liggett work includes skin patching the corner of Liggett and Scott as needed

Confirm that the Minturn work is the south side of Minturn, not the north.

The Board requested Ford to give clear unit pricing, and to break out the bid street by street. The Board authorized Alderman Hensley to approve pricing and specifications in between meetings by a vote of 4-0.

III. ADJOURNMENT
