The City will place ads in the Post and in the Webster Kirkwood Times, as well as post a list of participating addresses on City bulletin boards. Those interested in shopping can check the bulletin boards for lists of participating addresses and city maps. This is a great way to clean out your closets and acquire new treasures!

Mosquito Season

The County will be monitoring mosquitoes each week this summer. If you would like to know if your area will be sprayed on a particular day, you can call the hotline at 615-4BUG around 5p.m. Spraying is just one of many tools the County utilizes to control the types of mosquitoes which are active at night and most likely to carry disease. The best way to eliminate daytime mosquitoes, which are container breeders, is to eliminate sources of standing water around your home, such as buckets, birdbaths, fish ponds or other containers where water can accumulate.

Emergency Notification Available

When an emergency hits Kirkwood and Oakland, how do you ensure you will get this critical information you need to stay safe and informed in a timely manner? This is a challenge our Police Department is working on everyday, along with over 6,500 public safety agencies like Kirkwood/Oakland Police that partner with Nixle to get these important alerts out to their residents and business owners. Research has indicated many people turn to the internet to search for information in times of crisis, though results can sometimes be buried, inaccurate, outdated, or unreliable.

Nixle's partnership with Google sets out to change this. Using the power of the web and open data standards, millions of people now have unprecedented access to critical public safety information when and where they need it most. And most importantly, they can trust the information is coming from local authorities. It is very simple and free to register. Use your cell phone to text 888777 and then type in your zip code of 63122 and you are registered. It is that simple.

Through other agencies you can also sign up for up to the minute information to obtain weather information. Oakland Residents can contact Kirkwood Police Officer Jim Cox at 314-822-5868 or coxjd@kirkwoodmo.org with any questions.

Sewer Lateral Repair Program

The City of Oakland offers residents a Sewer Lateral Repair Program. If you think you have a collapsed pipe, contact a plumber and have the line cabled at your expense.
