A Word From the Mayor

Returning home from a recent hospital stay (I am feeling great again!) I was reminded of the many reasons Oakland is a great place to live. Our parks are lush and green, our streets are lined with beautiful trees and our people are out and about with families and pets enjoying the community. Of all our resources, those people are the most important. I am so thankful for the support of the Oakland community in the life of my own family, and I encourage each of you to get out and enjoy the City's resources (walk across our new Bridge in Minturn Park or bike through Backstoppers Park) and get to know each other this spring. Our people make Oakland special!

Mosquito Season

The County will be monitoring mosquitoes each week this summer. If you would like to know if your area will be sprayed on a particular day, you can call the hotline at 615-4BUG around 5p.m. Spraying is just one of many tools the County utilizes to control the types of mosquitoes which are active at night and most likely to carry disease. The best way to eliminate daytime mosquitoes, which are container breeders, is to eliminate sources of standing water around your home. To report mosquito problems or to be placed on the no spray list call 727-3097.

Pool and Tennis Passes

Remember that the Kirkwood Pool and Tennis Courts are available to Oakland Residents all summer! In order to take advantage simply go to the Community Center to obtain an ID Card. The same card is used for the pool and the tennis courts. You then use that ID card when purchasing pool or tennis passes, camps, lessons, etc. These are amazing resources for Oakland families to enjoy throughout the summer, and we celebrate our partnership with the City of Kirkwood!

Remember City Codes for a Great Summer!

Summer is an active time and an important time to remember City Codes and why they exist. For instance, in order to keep pedestrians safe, it is important for property owners to keep their trees, shrubs, and ground covers from growing over and onto public sidewalks. We should all trim hedges and ground cover next to the sidewalk, make sure tree branches clear the sidewalk by at least eight feet, and plant annuals so they don't spread over the public sidewalk. Summer is also a great time to be outdoors with pets. Please remember to use pet waste bags when in the parks, and also to respect neighbors by not leaving barking dogs outdoors that can create a nuisance. Finally, it's a good time of year to remember that many building projects in the City require a permit and inspections. If you have questions about any city codes, contact our code enforcement officer Greg Hanser at 420-7481. The City would always prefer to answer questions rather than issue citations!

Sewer Lateral Repair Program

The City of Oakland offers residents a Sewer Lateral Repair Program. If you think you have a collapsed pipe, contact a plumber and have the line cabled at your expense. Once you have received the tape, contact City Building Inspector Greg Hanser. He will review the tape to verify your eligibility. If
